^{*} The investment amounts indicated above are approximate figures and include equity investments.

Two-thirds of total investment will be in property sales to individuals, one-third will be in property sales to investors

60% of total overseas investment will be in Europe and N. America, 40% will be in Asia

22. Long-Term Business Plan Innovation 2017

2-3 Strengthen Competitiveness

Strengthen the Competitiveness of Our Domestic Business

Create neighborhoods

- Larger, higher quality portfolio in central Tokyo area
- Quickly bring planned developments on stream
- Promote the Smart City

Evolve the housing business

- Increase units supplied and profitability in property sales to individuals
- Housing brokerage business: maintain No. 1 position
- Remodeling business: Become the leading brand for highvalue-adding remodeling

Evolution of our model for cooperation with investors

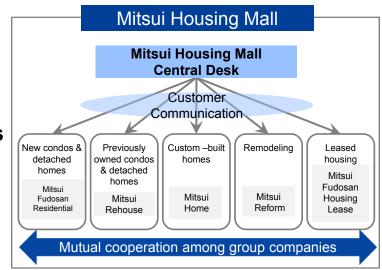

- Add new asset classes, including logistics facilities
- Expand assets under management (sponsored REITs, private REIT)

Develop Global Operations

Be more active in Europe, North America and Asia

- Europe & N. America: Build up a portfolio mainly consisting of offices for lease
- Asia: Be more active in developing housing, retail facilities & office buildings

5 Hanover Square (London)

Shanghai New Town Development Project

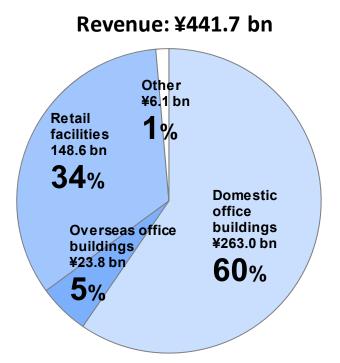

3. Core Businesses: Overview & Strengths
