Status and outlook of Net profit, ROE, Total Asset and Debt

Executive summary of Financial Strategy

Manage with an equal focus on the three key objectives
: enhance growth, efficiency and shareholder returns

Achieve stable and continuous profit growth and enhance cash-generating capabilities

- Achieve stable and continuous leasing income growth through various measures, including the development of new properties and existing property **top-line growth**.
- Realize development added value through **the stable and continuous turnover** of assets, while taking into **consideration the balance** between **leasing income and sales profit**.
- Enhance cash-generating capabilities through **business planning, property development, and management capabilities** that are the source of **the Company's competitive advantage**.

Improve efficiency and maintain financial soundness by managing the Company's balance sheet

- Further enhance the quality of the asset portfolio by considering and executing **asset turnover**, reviewing **not only real property for sale but fixed assets and investment securities**.
- Maintain an "A" rating as a measure of financial soundness and appropriately control financial leverage.
- Steadily and sustainably improve ROE to a level that exceeds the cost of capital.

Expand shareholder returns based on growth and efficiency

- Improve the dividend payout ratio and achieve stable dividend increase linked to profit growth (**continuous and progressive dividends**).
- Undertake the flexible and continuous repurchase of own shares.
- Implement measures to increase the proportion of long-term shareholders.

Achieve stable and continuous profit growth

Segment	FY2022 Business income*	Image of growth	FY2026 Business income*
Leasing	Approx. ¥150 billion	Increase in leasing income due to the completion of new properties. Increase in leasing income due to such factors as the increase in existing property rent revenue.	Around ¥180 billion
Property Sales	Approx. ¥153 billion	Focus on the stable generation of high margins. Amounts recorded each period vary depending on market conditions.	Around ¥210 billion
Management	Approx. ¥63 billion	Increase in management fees due to such factors as AUM growth and increase in property management fees.	Around ¥70 billion
Facility Operations	Approx. - ¥4 billion	Further improvements in ADR for hotels and resorts. Increase in the number of Tokyo Dome customers, etc.	Around ¥30 billion
Total Business Income*	Approx. ¥313 billion	Based on the above	¥440 billion or higher

* Business income = Operating income + Equity in earnings/losses of affiliates (including Gain/loss on sales of shares of subsidiaries and affiliates for the purpose of real estate sales) + Gain/loss on sales of fixed assets
Total business income includes income and loss of "Other" and "Corporate and Elimination" segments in addition to the above 4 segments.

Improve efficiency and maintain financial soundness

- ▶ Accelerate asset turnover and realize added value (valuation gains), while taking into consideration the balance between leasing income and sales profit. (Sale of fixed assets and real property for sale without exception; reduction of strategic shareholdings; sell at the right time stocks held purely for investment purposes)
Work to increase management revenue by expanding assets under management.
- ▶ Maintain a highly efficient and sound financial structure while controlling the balance sheet (BS).
