Executive summary of Financial Strategy

Manage with an equal focus on the three key objectives
: enhance growth, efficiency and shareholder returns

Achieve stable and continuous profit growth and enhance cash-generating capabilities

- Achieve stable and continuous leasing income growth through various measures, including the development of new properties and existing property **top-line growth**.
- Realize development added value through the stable and continuous turnover of assets, while taking into consideration the balance between leasing income and sales profit.
- Enhance cash-generating capabilities through business planning, property development, and management capabilities that are the source of the Company's competitive advantage.

Improve efficiency and maintain financial soundness by managing the Company's balance sheet

- Further enhance the quality of the asset portfolio by considering and executing asset turnover, reviewing not only real property for sale but fixed assets and investment securities.
- Maintain an "A" rating as a measure of financial soundness and appropriately control financial leverage.
- Steadily and sustainably improve ROE to a level that exceeds the cost of capital.

Expand shareholder returns based on growth and efficiency

- Improve the dividend payout ratio and achieve stable dividend increase linked to profit growth (continuous and progressive dividends).
- Undertake the flexible and continuous repurchase of own shares.
- Implement measures to increase the proportion of long-term shareholders.

Improve efficiency and maintain financial soundness

- ▶ Accelerate asset turnover and realize added value (valuation gains), while taking into consideration the balance between leasing income and sales profit.
(Sale of fixed assets and real property for sale without exception; reduction of strategic shareholdings; sell at the right time stocks held purely for investment purposes)
Work to increase management revenue by expanding assets under management.
- ▶ Maintain a highly efficient and sound financial structure while controlling the balance sheet (BS).

- Steadily and sustainably improve ROE to a level that exceeds the cost of shareholders' equity
