## Mitsui Fudosan Selected as “A List” in CDP Climate Change Report

---

---

Tokyo, Japan, December 9, 2021 - Mitsui Fudosan Co., Ltd., a leading global real estate company headquartered in Tokyo, announced today that it has been selected by the CDP, an international non-profit organization based in London that performs environmental surveys and disclosure, for the CDP2021 Climate Change A List, the highest ranking, in the climate change category. The ranking means Mitsui Fudosan has been judged to be a progressive company for climate action at the global level. In fiscal 2021, 200 companies worldwide, including 55 in Japan, were selected for this list.

Seeking to link diverse values, coexist in harmony with society and achieve a sustainable society, as symbolized by the company's  logo, the Mitsui Fudosan Group works to foster social and economic development as well as global environmental preservation under its **&EARTH** Group vision.

As a part of its efforts to address climate change, Mitsui Fudosan has set medium- to long-term greenhouse gas emissions targets, and in November 2021 it established a concrete, all-encompassing strategy, the Group Action Plan to Realize Decarbonized Society. Going forward, the company will work toward realizing a decarbonized society based on this plan.

### [ About the CDP ]

The CDP is an international environmental non-profit organization established in the U.K. in 2000 that administers a global environmental disclosure system for corporations and municipalities. Its annual disclosure of environmental information and its evaluation process are widely recognized as the global standard in corporate environmental disclosure. In fiscal 2021, over 13,000 companies representing over 64% of the world's market capitalization responded to the CDP's survey. Respondent companies are ranked with a score from A to D- based on criteria for disclosure comprehensiveness, environmental risk recognition and management, ambitious target-setting, progressive environmental initiatives, and other areas.
